

Adopt A Family Project 2010

It's already that time of year to begin planning for the holidays. For us, it means making sure all the families we serve have gifts to open as they celebrate this holiday season. The **Adopt-A-Family Project** was created in response to the overwhelming interest the New Haven Community had in helping **New Haven Home Recovery**. Last year we were able to deliver gifts and happiness to over 180 individuals and families. As we kick off the **2010 Adopt-A-Family Project**, we are asking all of our community friends to consider supporting our efforts this year.

There are many ways you can help:

Spread the word-let friends and colleagues know about the project.

Adopt an individual or an entire family.

Donate gift cards from local stores

If you are interested in helping to make this year's project a success, please contact Kristen McKay at kmckay@nhhr.org for more information.
